# What our clients say...

“

Recently James one of the business executives at Morton Michel took over handling of our franchise account and the service he has provided has been absolutely outstanding.

We know our franchises are in safe hands with him. His communication is exceptional, always keeping us in the loop and turning any queries around nice and quickly. He is an asset to Morton Michel and a key reason in our continuing alliance and loyalty to them.

”

“

My quote was arranged with Daniel following a call back at a time which suited me. We discussed in detail the policy and variations. This is the first policy I have taken out for Public Liability, being newly self-employed. Daniel spent time explaining the areas I needed more information on and double-checked details where I had specific questions. Very thorough. Would recommend this company.

**Morton Michel**  
The Childcare Insurance Specialist

Since establishing in 1964, we have aimed to approach insurance differently to most other insurance brokers.

We have a long history of working with the Children's Activities sector and launched our Group policy in 1971 to cater for the wide and diverse range of services provided. Since then we've enjoyed getting the opportunity to grow and adapt alongside the sector.

Winner

Changing Supplier'  
category at the  
What's On 4 Kids  
Awards 2022

**My name is Dan Nocera, Business Development Executive from Morton Michel.**

In my role I work closely with our introducer and franchise partners to help provide specialist insurance solutions to their networks, franchisees and members, with a primary focus on the children's activity and connected sectors.

I get to work directly with franchisors, franchisee's and sector contributors. Regardless of who I am working with or their role in the industry the passion, excitement and energy that this community has is universal. It is unlike any other I have been a part of and I feel very privileged that so many people trust us to take care of their insurance needs.

CHILDREN'S  
ACTIVITIES ASSOCIATION

**Morton Michel are proud to be a founding member of the Children's Activities Association. Our shared beliefs in raising professional standards in the unregulated activity sector are important to us and we're proud to support the CAA in this area.**
